Assembling & Care

Front panel is assembled to a frame. The frame is adjusted horizontally with the adjustable feet. The bathtub, which is equipped with damping/friction material under the corner, is lowered into the frame. The plastic drainpipe is cut and connected to the floor drain. Installation instructions are included.

Energy labeling and certifications

- The product follows AMA recommendations & SS-EN 232 CE approved

Technical information

- Water volume L: 178
