Washbasin Atlantic A560 – for bolt mounting 60 cm

With overflow and faucet hole

Product features

- Generous basin
- For bolt mounting
- With overflow and tap hole

Article numbers

Art-no.
4GA56001

EAN
7391530091136

Packaging information

Length: 625 mm | Width: 195 mm | Height: 515 mm

Weight: 20 kg

Weight: 1 pc

Assembling & Care

Mounted directly on wall with bolts. Bolt projection from finished wall must be 50 ± 2 mm. Fasteners included. Clean the porcelain frequently to prevent dirt and limescale from sticking. If regular cleaning products don't achieve the desired result, you can use citric acid or tartaric acid from the pharmacy. Remove limescale stains with regular household vinegar. Never use abrasive cleaners, as they can damage the glaze over time. Also avoid using strongly alkaline, lye-based drain cleaners, as they can be harmful to both the porcelain surface and the environment.
